

## Virtual Training Session Instructions

Join us for 8 in-service hours of hands on fun! Teachers will learn how to introduce the game to students while actually playing the game with a team of teachers from around the state! The **4-PART** training series will provide 4 hours of virtual learning with 4 hours of portfolio management on your own time.

The **4-PART** series will be held **January 12, 14, 19 and 21** (Tuesday and Thursday evenings) from 7-8 PM EST.

1. You must first register yourself as a team for the Florida SMC, just as you would for your students, by clicking this link: <http://www.floridasms.com/>
2. When prompted to select a participant grade level, select **TEACHER**.
3. These virtual sessions will be held using 'Elluminate!', a virtual classroom in which you can meet with other teachers from around the state while remaining in your home or office. You will need an internet connection, microphone and speakers to participate in this session. The easiest way to test your connection is to go to the following link and walk through the configuration room, <http://www.illuminate.com/support/>. Your computer may require it download the latest version of Java, so make sure you have download rights (if you are using your school issued laptop).
4. On **January 12, 14, 19, and 21** at 7-8 pm EST use the link below to participate:
