

Free State Farm Educational Resources

- 1) Guest Speakers: State Farm agents and claims associates for Career Days, Safety Days, Insurance or Financial Services presentations for students, and Job Shadow days at our operations and agency centers.
- 2) Make it Possible financial workshops for parents, teachers and students. Available in English and Spanish. We also have young adult presentations under the series such as the “Slice of L.I.F.E.” which helps young adults acquire valuable financial literacy skills such as learning how to establish credit.
- 3) The Florida Stock Market Challenge Games / Florida Council on Economic Education: <http://www.fcee.org/educational-resources/stock-market-challenge/> This site provides a free interactive game and financial literacy tools for teachers and students in all grade levels.
- 4) Educational planning and investment resources: http://www.statefarm.com/mutual/sc/invest_know/invest_know.asp?WT.svl=26
- 5) Teen Driving: <http://teendriving.statefarm.com/> . Our agents can present workshops on teen auto safety and auto insurance to teens and parents.
- 6) Family learning center: http://www.statefarm.com/learning/kid_stuff/kid_stuff.asp
- 7) FDIC – Money Smart: Helps adults and students learn the basics of handling their finances and creating positive relationships with financial institutions. <http://www.fdic.gov/consumers/consumer/moneysmart/index.html>

Grant opportunities:

We have some national grants that become available throughout the year. An example of one of them is the State Farm Youth Advisory Board grant. We invite you to visit our Youth Advisory Board site to view grants that were recently approved at www.sfyab.com .You can also learn more how students can apply to be part of the youth advisory board and earn an opportunity to receive a college scholarship for their participation.

For additional information on any of these programs: Please contact
