

Want to submit a winning project? Below is the grading scale and some samples of past submissions so you know what we are looking for in your project. Think outside the box and remember that economics is more than just about making money! Think about all the topics you have covered in class and relate them to the world around you. Don't forget to have fun and be creative! Let the best team win - good luck!

1. All Submissions must include the following:

- Complete Information Sheet (must include names of group members and teacher)
- Link to the uploaded YouTube video
- Video with embedded subtitles
- Separate lyric file (PDF or Word doc.)

2. If these above requirements are met, your project will be graded on a 20 point scale using the following table:

	POINTS = 1	2	3	4	5
Audio Quality	Unsatisfactory	Fair	Average	Exceeds Expectation	Exceptional/ Outstanding
